

POSITION: INTERNAL & EXTERNAL METALLURGIST

ROSH PINAH ZINC, A LEADING MINING COMPANY, IS SEEKING A SKILLED MAINTENANCE METALLURGIST TO JOIN OUR DYNAMIC TEAM. THE SUCCESSFUL CANDIDATES WILL PLAY A PIVOTAL ROLE IN OUR OPERATIONS.

Your Key Areas of Responsibility:

- Project management of plant related projects.
- Support plant operations in ensuring process efficiency to achieve production targets.
- Generate and implement continuous improvement ideas.
- Design, develop and optimize metallurgical process flow, metal accounting and process documentation.
- Evaluate the use of new technological trends.
- Liaise with internal and external stakeholders.
- Adhere to all statutory and governance requirements.
- Technical coaching of professionals-in-training (PIT's).
- Adherence to all health and safety practices and policies.
- Plant commissioning and Process Optimization

Ideally, you will have:

- Degree in Bachelor of Engineering/Bachelor of Science/Bachelor of Technology in Metallurgy or Chemical Engineering.
- Minimum of 5 years' post graduate experience as a Metallurgist or similar position in a mining production environment.
- Project management experience of small to medium scale projects.
- Exposure to Base Metal Processing Operations (Flotation) will be advantageous.
- Knowledge of analytical laboratory processes.
- Experience in the preparation of technical reports and process related documents.
- Valid Police Clearance Certificate (not older than 6 months)
- Proficiency in English

To apply for the position, submit a compliant application with a cover letter through the recruitment portal www.jobopportunities.net. If there is no contact within 2 weeks after closing date, consider application unsuccessful. Candidates from designated categories are encouraged to apply.

CLOSING DATE: 12 DECEMBER 2025
