

Koryx Copper Inc. is a Canadian copper development Company focused on advancing the 100% owned, PEA-stage Haib Copper Project in Namibia whilst also building a portfolio of copper exploration licenses in Zambia. An exciting opportunity exists for a result-driven Financial Manager with an understanding of the diverse needs of establishing a sound finance and administrative department in a fast growing and changing environment.

## **FINANCIAL MANAGER**

### **Ideal experience:**

- A minimum of 7-10+ years' experience post Articles. Exposure to international operational and IFRS for large and medium corporations in the listed arena is preferable.
- Financial Management experience in managing teams to deliver the desired outcomes to produce sound financial reports compliant with IFRS and GAAP is essential.
- Preparation and production of annual and quarterly financial statements in accordance with IFRS and in-country specific GAAP, plus all accompanying financial and management documents relevant to the particular assignment.
- Develop and improve on financial and internal control systems in place.
- Ensure compliance with financial regulations and company policies.
- Manage and control all secretarial, tax and corporate related matters across all group companies in conjunction with the CFO and Corporate Finance Manager.
- Meet international listed company filing and audit deadlines.
- Work closely with the Corporate Finance office in South Africa on specific finance related matters
- Lead and develop the finance and administrative team in country, providing strategic guidance and support to the Group COO.
- Collaborate with other departments to improve financial and administrative efficiency
- Manage and preparation of all budgeting and cost reporting in conjunction with the Corporate Finance Manager based in South Africa.

### **Minimum requirements:**

- CA (NAM) and or similar experience.
- Working knowledge in CaseWare, Advanced Excel, Sage Pastel, Scope (Pronto) and other relevant accounting software is required.
- Deadline driven and attention to detail is non-negotiable.
- Leadership and communication skills to manage multiple teams at any specific time.
- English (fluent spoken and written) and Afrikaans (ideal).

Should you be interested in the above position, please consider the responsibilities carefully and provide a brief motivation why you would be the preferred candidate, as well as a brief introduction of yourself, your achievements and career aspirations under the heading "Who am I?".

**Please included in your cover letter and uploaded it with your application the following information: your experience with financial regulations across jurisdictions (e.g. tax compliance, securities regulations), preparation of financial statements in accordance with IFRS or GAAP (including most recent and complexity), identification and mitigation of financial risks (credit, market, or operational), financial management software used, and experience meeting international listed companies' audit and filing deadlines**

If you meet the requirements for this role and are ready to contribute to the success of our company, please apply through our recruitment portal at [www.jobopportunities.net](http://www.jobopportunities.net). Ensure your application includes a detailed cover letter with a short paragraph on “Who am I”, a comprehensive CV, and any relevant certifications.

**Closing Date:** 17 August 2025.
