

Senior Mechanic

 **Location: Rosh Pinah, Namibia**

We are seeking a skilled and experienced **Senior Mechanic** to join our operations in Rosh Pinah. The successful candidate will be responsible for ensuring the effective inspection, diagnosis, repair, and maintenance of mining and earthmoving equipment, contributing directly to operational reliability and safety.

Key Responsibilities

- Inspect, diagnose, and repair diesel engines and systems on mining equipment including haul trucks, excavators, loaders, graders, and dozers.
- Perform routine and preventive maintenance according to schedules and manufacturer guidelines.
- Troubleshoot mechanical, electrical, and hydraulic issues using diagnostic tools and technical manuals.
- Respond to equipment breakdowns promptly to minimize production downtime.
- Conduct safety checks and inspections to ensure compliance with mine regulations and company policies.
- Maintain accurate maintenance and service records for all work performed.
- Order and manage parts and supplies in collaboration with the parts department.
- Adhere to all site safety procedures, use PPE, and participate in safety meetings and toolbox talks.
- Support and mentor apprentices or junior mechanics as needed.
- Operate workshop tools and equipment safely and efficiently.

Minimum Requirements

Educational Qualifications

- National Vocational Certificate in Mechanic (N3).

Experience & Skills

- Minimum of 8 years' relevant experience.
- Earthmoving equipment experience will be an advantage.
- Proven ability to work under pressure.
- Strong experience in electrical and hydraulic troubleshooting.
- Valid police code of conduct not older than 3 months.
- Valid driver's license.

Why Join Us?

At **K Neumayer**, we are committed to building beyond projects—we build people, systems, and long-term impact. This is an opportunity to be part of a professional environment where quality, safety, and growth are valued, and where your expertise will directly support our operations across Southern Africa.

Application Process

Interested candidates should apply through our recruitment portal at www.jobopportunities.net.

Applications must include a cover letter, CV, and copies of relevant certifications.

Closing Date

30 September 2025 @ 07:00PM
